# Jackpot Games

## Casino Equipment Rental

Founded in 1969 by John Copic Sr., Jackpot Games continues to provide friendly, reliable service. Located on East 185th St. in Cleveland for over 40 years, our family owned and operated business works with corporate and non-profit organizations to create fun, professional casino nights.

Our specialty is designing an event that is perfect for your group. You will receive personal attention, customizing a package that fits your needs. We will be happy to meet with you to help you with the planning process, and will be there to help every step of the way. You and your guests will be treated to a fun, friendly evening that you will be sure to remember!

## How it Works

Your guests will receive \$100 in actual Casino Chips to start. Players move throughout the casino and meet dealers who will patiently teach the games.

After gaming, players redeem their chips for raffle tickets and the drawing or the prizes begins. Every guest has a chance to win and the excitement last until the last ticket is drawn.
